Wine Tasting with CMS Sommelier \$85/person 2hrs

Meet our founder and certified sommelier: Mackenzie Putici.

“Today I am bringing the vineyard to you!” Not everyone has time to spend a day visiting the many vineyards here in Ontario, so I’m inviting you to taste my collection with me at a private wine club.

You’ll be welcomed with a cocktail using local spirits and then we’ll sit down to a tutored tasting. Learn how to taste wine like a professional, using a grid that will help you identify notable aspects of wine. We’ll discuss the regions and grapes that thrive in Ontario and taste some great Riesling, Chardonnay, Pinot Noir, Cabernet Franc, and Icewine. Savour cheese, and other snacks during the tasting to accentuate your wines. By the end you’ll have a well-rounded experience of what grows here and how to blind taste a wine.
